News to Know:

- ❖ Newly contracted floral provider, English Gardens, will be adding colorful blooms to all entrances.
- ❖ The Village of Oak Brook has installed LPR (license plate reader) cameras at all entrances, with additional wide-angle lenses coming soon. Several subdivisions in Oak Brook have contracted with the village for these cameras.
- ❖ The proposal for adding gates in Trinity Lakes was voted on and has been decided against.
- ❖ The board would like to, once again, have a neighborhood wide picnic towards the end of the summer. Updates to follow.

How to Stay Informed:

Be sure to update your contact information with the management company: **Oak & Dale Properties**. Providing your email ensures that you receive communications from Trinity Lakes. The Village of Oak Brook may also ask that subdivisions forward information on the village's behalf, so it is beneficial to keep your contact information updated through Trinity Lakes.
